

## **Customer Meeting Agenda – Beauty Catalogue (Early Second Iteration Review)**

**Date: Friday, March 14th, 2025**

**Time: 3:40 – 5:00 PM**

### **Attendees:**

- Riley Singfield
- Gillian Wood
- Aminah Ahmed
- Jonathan Newman
- Hanveer Grewal

### **1. Welcome & Meeting Objectives**

- Purpose: Review early progress in the second iteration and align on next steps

### **2. Progress Update**

- Summary of what has been worked on so far
- Implementation of feedback from the first iteration
- Any new challenges or blockers

### **3. Customer Feedback & Discussion**

- Reviewing changes made so far
- Assessing if improvements (e.g., UI updates, photo quality enhancements) meet expectations
- Additional feedback or refinements before further development

Questions:

Do you want all general users to be able to add products? Or just admins? For now we have admins are the only ones able to edit/delete.

### **4. Closing & Next Steps**

- Final thoughts and any immediate adjustments
- Confirming next review meeting and expectations for the next phase
